Veterinary inspection

All horses must be validly vaccinated against A2 virus, basic vaccine, and custom vaccinated once a year, 10 days prior to competition. The horse must be inspected every day before starting. Bring passports, vaccinations and back numbers to the inspection. The horse can be shown in halter or with a headstall

Ethical rules

Follow all Rules at all times. **SRHA and TPH will uphold these rules.**

Paid Warm Up (5 min) starts at 11:30 with "Drop In" (no Back # needed).

At 15:30 there will be a 45min break for free riding + moves, then PWU will start again and finish at latest at. 17:30. Double Times will only be allowed if enough time is available. The arena will be open again after the SRHA Any Bit Any Age.

Schooling in class - Stay on pattern. (More than 4 spins are allowed)

Violent riding / handling of the horses in the competition area and riding on horses that show signs of illness result in exclusion from the competition without repayment.

After showing a class you are not allowed to train your horse.

You can trot etc to cool your horse. Please respect the riders and horses that are warming up for the class and leave the warm-up arena as soon as possible.

SRHA and TPH will uphold these rules
